3. GUIDELINES

The ADCES23 Emerging Science Poster collection allows industry partners to engage with an inter-professional audience while providing a platform to showcase their latest research, and novel products and technology. This curated category is reserved for posters that are sponsored or conducted by a commercial entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

1. There is a cost of \$500 per poster.
2. Poster Presenter are responsible for providing ADCES with a PDF and 3 minute MP4 recording of their poster.
3. It is the responsibility of the presenter to complete these requirement for it to be included in the virtual platform.
4. Emerging Science Industry Posters will be on display throughout the conference and on-demand.
5. Submission of a PDF copy of your poster to ADCES (pswift@conventusmedia.com) is requested by July 14, 2023 for peer review and confirmation of acceptance.
6. Questions on Emerging Science Industry Posters can be directed to adces@conventusmedia.com or Patricia Swift at 703-581-9602.
